ABOUT ME

User-focused UI/UX Designer skilled in creating intuitive digital experiences for web and mobile using tools like Figma and Adobe Illustrator. I also bring strong Graphic Design expertise, producing branding assets, social media creatives, packaging, brochures, e-books, and YouTube thumbnails. With a focus on visual storytelling and brand consistency, I ensure every design aligns with audience needs and current trends.

EDUCATION

Silver Oak University | 2021-2024

Bachelor of Technology in Computer Engineering

CGPA - 9.37

WORK EXPERIENCE

Kriyan InfoTech | April 2024 - Present

Jr. Graphic Designer

- Designed responsive web and mobile UI/UX layouts in Figma aligned with client guidelines and user-centered design principles.
- Created cohesive branding assets, including logos, packaging, social media visuals, and marketing materials.
- Produced professional print and digital designs such as brochures, white papers, e-books, as well as YouTube thumbnails and digital banners.

SilverXis Inc. | Jan 2024 - Mar 2024
